

PRASHANT KUMAR

Full-Stack Developer

prashantkumar1974pk@gmail.com • 8287667406 • Delhi • LinkedIn • Portfolio

PROFILE

- Looking for an entry into a highly professional organization with a challenging and competitive environment where I can grow in terms of knowledge, skills and attitude and to put an effective use of my analytical abilities for achieving the organizational goals.

PROFESSIONAL EXPERIENCE

SocialCTR Solution

Full Stack Developer

12/2025 – Present

Indrapuram

- As a Full Stack Developer, I play a key role in building dynamic web applications, scalable admin panels, and automation systems using PHP (OOP), JavaScript, HTML, CSS, and modern web technologies.
- At SocialCTR Solutions, I gained strong experience working across both frontend and backend development, creating responsive user interfaces while developing robust server-side logic, APIs, and automation workflows.

Maizic Smarthome

Full-Stack Developer

04/2024 – 12/2025

Uttar Pradesh, India

- Expertise in building seamless smart home solutions using HTML, CSS, JavaScript, PHP, MySQL, jQuery, AJAX, Node.js, Firebase, and Shopify, ensuring high performance and responsive designs.
- Passionate about creating efficient back-end systems and smooth user interfaces, always focused on optimizing functionality and delivering exceptional user experiences.

CareerGuide/ Stirring Minds

Front-End Developer (Intern)

09/2023 – 03/2024

Delhi, India

- As a Frontend Developer, I played a key role in designing and implementing user-facing features and interfaces for web applications.
- My internship experience as a Frontend Developer at CareerGuide Company was instrumental in shaping my understanding of frontend development principles and practices.

EDUCATION

Pursuing BCA 3rd Year

- Ignou University

04/2023 – present

Delhi, India
